

INDICATION OF INTEREST
FRENCH IMMERSION FIELD EXPERIENCE in FRANCE
OCTOBER 12th to OCTOBER 20th, 2024

Western Canada High School is looking into the possibility of organizing a **French Immersion Field Experience** during next school year 2024-2025 in France, Paris (from Saturday October 12 to Sunday October 20 2024).

If approved, this trip would be open to students who will be studying or be enrolled in **French Language Arts 20/20IB and French language Arts 30/30IB**, in that order and **priority** will be given to **grade 11 students**. If the number of students showing interest exceeds the number of places available, students who will be in grade 11 or enrolled in the FLA 20/20IB courses will be confirmed first, then students from grade 12 will be selected by a draw. The remaining will constitute the list of potential participants and they will be on a waiting list should the number of students showing interest be higher than **36**.

To gauge whether there would be sufficient interest in organizing such a tour, students are asked to obtain and fill out an Indication of Interest form from Mme Ghira in room 255 by **Wednesday November 8th, 2023**.

If you are interested in participating in this field experience, please talk it over with your parents and then fill in the information document below. Handing in this form **does not constitute any obligation** – however **the deadline for submitting your form is firm**, since the applications will need to be processed soon.

If you have shown interest and you have been selected for the trip, you will receive updates on this opportunity by email, so please provide an email address that you use regularly. A parent meeting will follow this fall for the selected applicants.

Name of student: _____

E-mail of student: _____

E-mail of one parent: _____

Phone number of student: _____ Phone number of one parent

Grade of student in 2023-2024 school year _____
